

# The New Education Managers' Orientation

June 15-17, 2010

Hilton Garden Inn Albuquerque Uptown,  
Albuquerque, New Mexico

New Head Start and Early Head Start Education Managers are often overwhelmed by the massive amount of Head Start-specific information needed to provide effective leadership to the program's education services area. Even highly qualified and experienced early childhood professionals face the daunting task of incorporating their expertise into a Head Start framework. **The New Education Managers' Orientation** is designed specifically for Education Managers with less than two years experience in their current position. The Orientation will focus on:

- Providing a global view of Head Start and Early Head Start within the context of the larger early childhood community.
- Presenting a comprehensive review of Head Start Performance Standards that relate directly to the responsibilities of Education Managers.
- Reviewing additional early childhood education materials and publications that support the implementation of quality Head Start and Early Head Start education services.
- Examining the basics of quality early childhood programming within the context of the Head Start Program Performance Standards.
- Providing a framework for implementing the Head Start Child Outcomes Initiative (screening, observation, child assessment, CLASS System, data aggregation, and data analysis).
- Identifying leadership, managerial, and supervisory skills that form the keystone of effective program management.
- Exploring creative and successful strategies used by model Head Start and Early Head Start programs across the country.

In addition to the two and one-half day orientation, **T/TAS** will provide six months of follow-up support via a special dedicated listserv for those who attend the orientation. Participating managers will be able to use the listserv to share ideas and opinions with each other; dialogue with Early Education and Management Specialists at **T/TAS**; ask questions related to their specific local program needs; and receive valuable updates on new Head Start education directives and challenges.

The Standard Registration Fee for **The New Education Managers' Orientation** is \$410 per person. Members of **T/TAS@Your Service** may qualify for the Subscriber Rate of \$385 per person. (Some restrictions may apply based on level of subscription; see page 5 or visit [www.ttas.org/ays.html](http://www.ttas.org/ays.html) for information on becoming a subscriber.) For details on registering, including how to earn 1.625 Continuing Education Credits (CEUs) for this event, please see page 3.
