

The Essential Trainer: Creating Fantastic Learning Experiences for ECE Programs

June 23-24, 2010
Hilton Savannah DeSoto
Savannah, Georgia

Training is a learning experience which seeks to promote situations which will strengthen a group or organization so that it functions smoothly, efficiently, and productively. At the same time, training seeks to stimulate both an increased sensitivity to oneself and to others with consciously-guided behavior for the purpose of improving individual performance and ultimately program efficiency.

The goal of **The Essential Trainer: Creating Fantastic Learning Experiences for ECE Programs** is to develop trainers for early childhood programs and increase the number of professionals who can design and deliver dynamic learning sessions to teachers, families, staff and community partners.

The Essential Trainer is designed to be a highly interactive experience and is intended to address both individual needs and global concerns specific to early childhood settings. The event will provide participants with tools and strategies relevant to work situations experienced by today's adult learner. The session will focus on practical training solutions that can contribute to the

effectiveness of organizational needs. The overall intent is to apply these training strategies to a variety of everyday and long-term plans and challenges. Using a vast training background, the seminar facilitator will provide a learning environment that is challenging, supportive, and fun. Regardless of training work history, all participants are welcomed to be part of this timely and skill enhancing seminar.

The Standard Registration Fee is \$295 per person. Members of *T/TAS@Your Service* may qualify for the Subscriber Rate of \$280 per person. (Some restrictions may apply based on level of subscription; please visit www.ttas.org/ays.html for information on how to become a subscriber.) For details on registering, including how to earn 1.05 Continuing Education Credits (CEUs) for this event, please see page 3.
