

# Non-Federal Share for Program Staff

On-Line Event: June 14 - June 22, 2010

The requirement of a non-Federal share or "in-kind match" has been integral to the Head Start grant process since its very beginning. With *The Improving Head Start for School Readiness Act of 2007*, new regulations, policy clarifications from the Office of Head Start, and the importance of Federal monitoring to continued funding, it is imperative that both programmatic and fiscal staff are clear as to what can and cannot be used as Federal match.

**Non-Federal Share for Program Staff** is an on-line workshop that concentrates on the regulations and requirements for both generating Federal match and properly recording it. The training will provide practical suggestions for generating match, explore strategies for accessing community resources for additional match, and review best practices for preparing documentation of non-Federal match for the on-site Federal monitoring review. In addition, the role of the Board and Policy Council in understanding, generating, and reporting non-Federal match will be discussed.

**Non-Federal Share for Program Staff** will give participants a better understanding of the regulations and policies that relate to non-Federal matching funds and in-kind contributions. The training will review references for the generation and documentation of non-Federal match, and discussion and guided activities that illustrate ways non-Federal match can and cannot be "counted." Participants will use Western Kentucky University's **Blackboard** system to access workshop materials and assignments and participate in conversations and information sharing. *There are no hotel expenses, no travel, and you may do the work from your office or home.* This workshop is designed to be accessed at times convenient for participants within the workshop period. (Prior knowledge of **Blackboard** is helpful but not required.)

**Due to the requirements of the Information Technology administrators, registrations for this event must be received 10 days prior to the start of the event.** Therefore, registrations received after June 3, 2010 will be returned. The Standard Registration Fee is \$175 per person for all six segments of the training. Members of **T/TAS@Your Service** may qualify for the Subscriber Rate of \$165 per person. (Some restrictions may apply based on level of subscription; see page 5 or visit [www.ttas.org/ays.html](http://www.ttas.org/ays.html) for information on becoming a subscriber.) For details on registering, including information on earning .6 Continuing Education Units (CEUs), please see page 2.
