

An Overview of the Head Start Program Performance Standards

On-Line Event: February 23 - March 5, 2010

- Are you a new Head Start or Early Head Start employee?
- Do you know and understand the Head Start Program Performance Standards?
- Have you identified strategies for implementing the Head Start Program Performance Standards in your work?
- Would you benefit from participating in an overview of the Head Start Program Performance Standards?
- Are you a Director in need of Performance Standards training for new Head Start or Early Head Start employees?

An Overview of the Head Start Program Performance Standards was designed just for you! In addition to providing insight into the structure and content of the Head Start Program Performance Standards, this excellent resource for new Early Head Start staff and preschool Head Start providers will explore the implications of the Performance Standards on specific service areas, and facilitate discussions on how the Performance Standards may be implemented locally. Participants will be utilizing Western Kentucky University's **Blackboard** system for receiving the workshop, entering into conversations and sharing information - *no hotel expenses, no travel, and you may do the work from your office or home*. This workshop is designed to be accessed at times convenient for participants within the workshop period. (Prior knowledge of **Blackboard** is helpful but not required.)

Due to the requirements of the Information Technology administrators, registrations for this event must be received 10 days prior to the start of the event. Therefore, registrations received after February 15, 2010 will be returned. The Standard Registration Fee is \$215 per person for all six segments of the training. Members of **T/TAS@Your Service** may qualify for the Subscriber Rate of \$205 per person. (Some restrictions may apply based on level of subscription; see page 5 or visit www.ttas.org/ays.html for information on becoming a subscriber.) For details on registering, including information on earning 1.2 Continuing Education Units (CEUs), please see page 2.
